

PARISH NEWSLETTER

Issue No 35

March 2007

Police Community Support Officer (PCSO)

Saughall is to get its own PCSO, **Michael Butler**, from 1 April 2007.

In February this year the Parish Council and the Cheshire Constabulary signed a joint agreement to develop partnership working towards reducing crime and disorder in Saughall and increasing the level of public confidence leading to a greater level of reassurance through the provision of a PCSO in the area under this agreement.

The role of the PCSO is to provide a visible uniformed presence in order to contribute to the reduction of crime and disorder and the promotion of public reassurance and quality of life in the Parishes of Saughall and Shotwick Park.

PCSOs are equipped to deal with a variety of anti-social behaviour and community issues affecting the quality of life of residents, visitors and businesses.

Amongst other things they can:

- tackle anti-social behaviour
- confiscate alcohol from underage drinkers
- combat illegal parking
- deal with dog fouling
- address cycling on a footpath
- issue Local Authority tickets for litter offences, graffiti and fly-posting
- seize vehicles being used in an anti-social manner

The range of PCSO powers has been enhanced to ensure that they are equipped to deal with those issues that matter to you. PCSOs provide a very flexible and adaptable resource in the

community, however there are a number of constraints with which the Cheshire Constabulary must comply. PCSOs:

- will wear a prescribed uniform
- will spend the majority of their time conducting high visibility patrol on foot and cycle
- will only be tasked with those issues that impact upon community concerns in their designated area

The Parish Council is contributing £11,000 per annum for the first three years to help finance this initiative. After that, the sum will increase to reflect the Council's contribution to the increased salary of the PCSO as it increases due to the PCSO advancing through the salary scale and receiving annual increases to reflect the cost of living.

The agreement between the Constabulary and the Council may be terminated by either party giving 12 months notice after the scheme has been in place for a minimum of 12 months.

Chief Inspector Brian Roberts said "I look forward to working in partnership with Saughall and Shotwick Park Parish Council, to provide the best service to the community that we can".

Resignation of Chairman

It was with regret that the Council received and accepted the resignation of Councillor Brian Kerr as Chairman of the Council with immediate effect at its meeting on 5 March 2007.

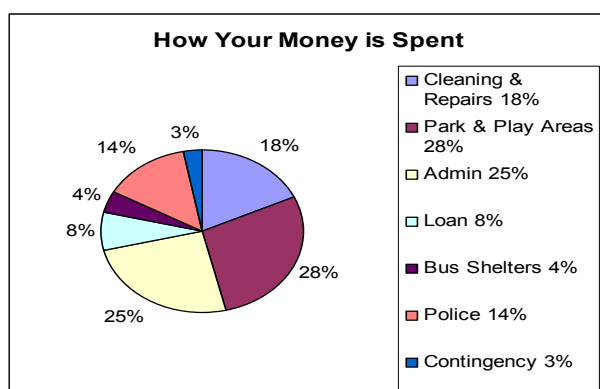

Councillor Kerr made a short statement setting out personal reasons for his decision. He will however, continue to serve as a Member of the Council and a new Chairman will be elected in due course.

Council Tax

The Parish Council has asked Chester City Council for a Parish Precept of £46,499 for 2007/08. The budget in total comes to £62,231. Unlike the other two tiers of local government, Parish Councils do not receive Government grants and are wholly funded by means of the local Council Tax - £39.56 per household per Band D property. This compares to £61 for the fire service, £116 for the Police, £172 for the City Council and £1002 for the County Council.

How your £39.56 is to be spent is set out in the Council's budget below:

Budget Head	Amount (£)	%

Annual Assembly

7:30pm on Monday, 23 April 2007

The Parish Council invites residents of the Parish to the Annual Assembly which will be held at 7:30pm on Monday, 23 April 2007 at the Vernon Institute. A report will be presented on the work carried out by the Council during 2006/07.

This is an open meeting providing you with the opportunity to speak out on any matters that are causing you concern and on issues you would like the Parish Council to address.

Golden Jubilee Park – Latest News!

It is hoped that the Council's contractor can complete phase 1 of the project by the end of May 2007. This includes rolling and seeding and the perimeter path. Contracts have been placed in respect of fencing and the provision of an area that will be used for car parking and games, as mesh will be laid that the grass can grow through. It is expected that this work will also be carried out in the Spring.

Proposed Amalgamation of The Ridings Community Infant School and The Thomas Wedge CE (Controlled) Junior School

Cheshire County Council, the Local Education Authority, has a policy that whenever possible separate infant and junior schools should be amalgamated to become all-through primary schools.

It is proposing that a newly amalgamated Voluntary Controlled Primary School should be established from 1 September 2009. The Chester Diocesan Board of Education supports the amalgamation. However, the Diocese would not support the amalgamation if the new school were to become a community school because this would reduce the number of voluntary controlled school places in Chester. There is a shared duty between the Local Authority and the Church of

England Diocese to maintain the balance between available controlled and community places.

To achieve amalgamation both existing schools would 'close' and a 'new' school would be established. Both schools would remain as they are until the end of the Summer term 2009, but would become a primary school with effect from 1 September 2009 (at the earliest) or when the new school building is completed and ready for occupation.

A Temporary Governing Body would be set up to look after the development of the 'new' school. Its constitution would reflect the constitution of the new voluntary controlled all-through primary school. Every effort would be made to ensure representation from both current schools' communities to ensure that their views informed decisions which would need to be taken. One of the key tasks of the Temporary Governing Body would be to appoint the Headteacher for the new primary school.

Formal public consultations are underway and their outcomes will be considered by the School Planning Select Panel on Monday, 26 March 2007. A decision will be made by the County Council's Executive on 5 April 2007. If the decision is taken to proceed, notices will be published and during the following six weeks objections can be lodged. The final decision will be taken in June 2007 by the School Organisation Committee.

Community Safety Challenge Neighbourhood Management Team Bid for Grant Aid

The Council has submitted an application to the Cheshire Community Council for a grant of £10,000 to help fund an initiative it wishes to embark on in a partnership arrangement with the Police.

The Council has already committed £11,000 to enter into an agreement with the Police through the provision of a Police Community Support Officer (PCSO) dedicated to the parish area.

The plans for Saughall are that the PCSO will roll out and support new Home and County Watch Schemes, embark on a proactive traffic safety scheme and work with the youngsters of the village to find alternative diversions to ensure reduced anti-social behaviour.

The new Neighbourhood Management Team would require funding to ensure that these ambitious and challenging plans are able to become a reality. Volunteers will require training, equipment and premises will need to be identified and acquired.

The aim of the Neighbourhood Management Team would be:

- the consistent presence of dedicated neighbourhood teams capable of working with the community to establish and maintain control – to be visible, accessible, skilled, knowledgeable and familiar to the community;
- intelligence led identification of community concerns leading to prompt effective, targeted action against those concerns; and
- joint action and problem solving with the community and all local partners in order to improve the local environment and quality of life within the community.

This project is not simply about policing outcomes; it also aims to align local policing activity to a neighbourhood management and community agenda and towards a style and culture where neighbourhood specialists can directly impact upon confidence and satisfaction levels through effective problem solving, greater partnership working not only with the Police but with the Fire Service, Chester City Council, community volunteers and other suitable agencies.

The Council will let you know whether the bid for funding for this initiative is successful through this newsletter.

How to Contact Cheshire Police

- Non-emergency calls 0845 4580000
- Only use 999 if...
 - There is danger to life
 - Violence is used or threatened
 - A serious crime is in progress or likely to occur
 - A suspect is nearby
 - There is a road traffic collision involving personal injury or danger to others
 - A vulnerable person needs urgent assistance

Dog Fouling

The Dogs (Fouling of Land) Act 1996 makes it an offence to allow your dog to foul in public areas and allows local councils to make on the spot fines.

Clear up after your dog. Put it in one of the red bins provided or take it home with you.

It is hoped that further dog bins will be made available for placing around the village. If you can suggest suitable sites for these bins, please telephone Jeanne Storrar on 880226.

Also, in the interests of health and safety, dogs are not allowed on any of the Council owned land on Fiddlers Lane. Enforcement action will be taken if your dog is found to be on this land.

Keep Saughall Tidy

Don't drop litter, put it in one of the many litter bins dotted around the village or take it home.

Also, please ensure that your litter bags are tied up tightly when put out for collection. There are occasions when the bags come open and rubbish is then scattered about by the wind or vermin.

Saughall Homewatch Scheme

Saughall and Shotwick Park Parish Council have acquired equipment that will enable valuables to be marked. To avail yourself of this free service please contact Ian Humphrey, Homewatch Co-ordinator, Tel: 880011.

Think Before You Park!

Please do not park on grass verges or on footpaths.

Problems are arising from cars being parked on pavements, resulting in the elderly and disabled being unable to pass with safety. This is happening in many places, but particularly in the areas of The Ridings and Thomas Wedge Schools at dropping off and pick-up times. Dropped curbs which have been introduced to help the disabled, are being blocked by parked cars. Please ensure that you are not putting the elderly at risk.

Remember there are people with prams and pushchairs who will have to step out into the road to get passed your car. Also, have a thought for those who are wheelchair bound.

A number of cars have been parking on the grass verge on Long Lane. These motorists are destroying the verge and the Spring flowers that have been planted there.

The Police have been informed of these inappropriate parking "hot spots" and Traffic Wardens and the PCSO will ticket anyone who causes an obstruction.

You have been warned!
