55 CORRESPONDENCE RECEIVED

(a) Planning Application for Extension to “Glenelg”, Church Road, Saughall

The applicant had written to the Clerk asking for clarification on the reason i.e. over intensive use of the site., the Committee had given in respect of its objection to the planning application.

It was noted that the Planning Authority had refused planning permission for the following reasons:

“The size and design of the proposed extension would cause an unacceptable loss of residential amenities that adjoining occupiers could reasonably expect to enjoy. As such, the proposal is considered contrary to Policies GE3 and HO8 of the Draft Deposit Chester District Local Plan – Proposed Modifications.”

The Committee concurred with this view.

RESOLVED:

That the Clerk be requested to reply to the applicant informing him that the Parish Council had objected to the application for the same reasons as Chester City Council, the Planning Authority, had rejected it.

(b) Junction of A5117 and A540, Saughall  
Replacement of Fencing on Roundabout

The Clerk had written to the Highways Agency to complain that its contractor had replaced damaged Cheshire Fencing with Ranch Fencing. Cheshire Fencing was a heritage asset and the Parish Council considered that the Highways Agency should replace like with like.

A reply was awaited.
